

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 3684 - SB 3680

February 23, 2012

SUMMARY OF BILL: Requires all truck stops, travel centers, and diesel refueling stations in counties having a population over 900,000, to conduct soil and water testing every three years on its property and on areas contiguous to the property. Requires the results to be forwarded to the Department of Environment and Conservation (TDEC). Requires TDEC to promulgate rules and regulation to effectuate this bill.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – \$48,800/Underground Storage Tank Fund

Assumptions:

- This bill will affect Shelby County.
- The TDEC office in Shelby County will require one additional Environmental Specialist 3 position to track the submission of all reports, perform on-site inspections, review all reports, and implement enforcement action for facilities that fail to comply.
- A recurring increase in state expenditures from the Underground Storage Tank Fund of \$48,794 (\$36,000 salary + \$11,294 + \$1,500 operational).

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "Lucian D. Geise".
